Pet-Friendly

Our furry four-legged friends deserve a great home too, that's why we're proud to be one of the few rental buildings in downtown Edmonton to offer pet-friendly suites.

Premium Concierge

We'll coordinate third-party services, receive deliveries, and help you simplify your life so you can spend more time doing what you love.

Technology & Convenience Built In

Tenant conveniences include Weiser Kevo™ smart key entry & Parcel Pending® package management.

Dual Rooftop Parks

Choose from two rooftop parks, each offering you a unique way to experience the outdoors in the heart of the city.

Solar Panels & Cogeneration Energy

Energy is a precious commodity; that's why we've installed solar panels on the roof and offer an innovative cogeneration energy system that repurposes wasted heat energy into electricity. It's innovative and leads to energy cost savings and a reduced environmental footprint.
